THE COACHING STAFF

THE HEAD COACH

Otto E. Graham, Jr., Northwestern University '44

Became Head Coach of the Redskins, January 25, 1966.

Otto E. Graham, Jr., was born in Waukegon, Illinois on December 6, 1921. His father was the music and band leader at the Waukegan high school for 40

Known more as a basketball player than a grid star in his Waukogan high school. Graham's football potential was not fully realized until after he had enrolled at Northwestern University on a basketball scholarship, and Lynn "Pappy" Waldorf put him in the backfield of N.U.'s eleven. There he became an Ali-American performer. In 1943, he was selected to receive the Chicago Tribune Trophy as the most valuable player in the Western Conference. His biggest day that season came against Michigan when he completed 20 out of 29 passes.

He twice played with the Callege All-Stars, each time the collegions whipped their professional adversaries. In 1943, he helped the Stars whip Washington, 27-7, as he ran 95 yards for a touchdown—the longest run ever made in the All-Star classic. Three years later, Graham passed for a touchdown as the Stars defeated the Las Angeles Rams, 16-0. In 1951, he played in the All-Star classic for the third time, but with the pros, where he led the Cleveland Browns to a 33-0 win over the collegions.

Graham is the only college athlete ever to make All-American in two sports the same year-football and basketball. He was on the All-American football team of 1943 and named to the basketball team of the 1943-44 season. That was a team which included George Mikan, one of the greats of pro basketball.

Following his graduation in 1944 with a Bachelor of Arts degree from Northwestern, where he majored in music and education, he became a naval air cadet until the end of World War II. It was during this period, while he was stationed at Chapel Hill, N.C., that he first became familiar with the "T" formation.

While others have since followed suit, Graham was the first to play professionally in two sports. He was quarterback for the Cleveland Browns and a forward for the Rochester Royals (now the Cincinnati Royals) in the NBA.

Graham was the first player signed by Coach Paul Brown of the Cleveland Browns when he undertook the job of organizing his first professional football team. Though he was planning his offense and knew Graham had only a smattering of experience as a "T" quarterback, Brown picked him because of his exceptional ability to throw the ball. Brown was sure Graham had all the requirements to become a good man at the "T" position, and the records bear out his claim.

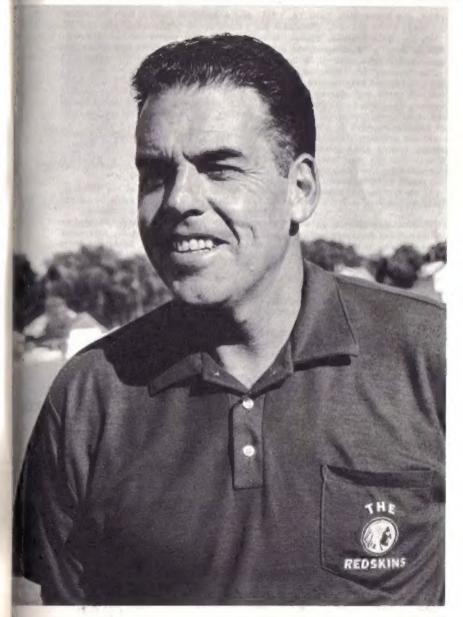

In his years with the Browns, Graham directed the high-powered offense that led the team to 94 victories against only 15 defeats and 3 ties, including 10 straight championships and playoff games. His passes were directly responsible for onethird of the 2.990 points the Browns scored. Of his 2,201 attempted passes, he completed 1,224, good for 19,771 yards and 148 touchdowns.

Reliring from his professional football career after the 1955 season. Graham was soon colled to coach the College All-Stars in their annual clash with the pros. He was named to the College Hall of Fame in 1959, and in 1965 was added

to the Pro Hall of Fame.

Aside from football, Graham was, at one time, a talented musician, playing the piana, vialin, cornet and French horn. He is a fine tennis player, shoots a low 70 golf game, and is a fine swimmer.

While attending Northwestern University, he met his wife, the former Beverly Jean Collings of Wabash, Indiana, They have two sons, Duey, born March 13,

1947, and David, born April 15, 1951, and a daughter, Sandy, born September 6. 1948.

He has three brothers, Eugene, recently retired after twenty years in the U.S. Marine Band in Washington, D.C., Victor, an insurance salesman in the Chicago

area; and Richard, who is an insurance salesman in Waukegan.

On February 27, 1959, Graham received his commission as a Commander in the Coast Guard Reserve, and, at that time, he was assigned the position of head football coach and director of athletics at the Coast Guard Academy in New London, Connecticut. On November 14, 1963, he was permanently appointed to the commissioned teaching staff at the academy, and was promoted to the rank of Captain on April 3, 1965.

At the Academy, Graham made a marked improvement in the cadet's gridiron record, and in 1963 chalked up the academy's first undefeated, untied season. It was also this year that the Academy participated in its first bowl game, the Tangerine Bowl, on December 28, 1963 in Orlando, Florida. His seven year coaching record at the Academy was 32-23-1.

In his first year of professional coaching, 1966, as head coach of the Redskins, Graham compiled a 7-7-0 record, the best Redskin record in 10 years.

THE SCORE CARD

Graham was selected on an All-America Conference Team of some description (either United Press International, or Associated Press) in each of the four years of competition in the All-America Conference. He was named to an All-Pro team in 1951, '52, '54 and '55 while in the N.F.L.

He repeated last year as lap NFL receiver with 70 for 990 yards and 9 TDS. The 72 receptions tied the Redskin season record held by Mitchell. Taylor was part of the "big switch" midway through the 1966 season. The Redskins' finest running back was moved to split-end. The switch came in the seventh game against St. Louis, it was late in the first quarter that Taylor surprised and left his halfback post and went outside. Before the switch, from his halfback spat, Taylor cought 18 passes for 348 yards and 4 scores, Seven games later, he finished as the league leader. His 12 TDs by receptions tied him with Hugh "Bones" Taylor for most touchdowns by receptions for a Redskin and his lotal of 15 set a new Redskin touchdown mark for a season. Against Dallas in the first game. Taylor caught 17 passes to tie Mitchell's mark for most receptions in a game. He caught posses for more than 100 yards in five games. He had 4 last year.

The 1-2-4 finish by Taylor, Smith and Mitchell marked the first time in the history of the NFL that three receivers on the same team finished that high, and the combined 197 receptions was the most by a three-some in the lop-finishers, ever. The pass receiving little went down to the final game of the season as the four battled back and forth to the leadership throughout the last half of the campaign. In fact, Taylor and Smith went into the final game tied for the lead with 62 catches each. Taylor won it with 8 catches against Smith's 5 against New Orleans.

In '66, the trio finished first, sixth and lenth. Taylor led the league, with Mitchell sixth and Smith lenth.

The finish in 1967 is even more phenomenal since Taylor missed three games because of an injury and Mitchell was running back for five games, from the second through the sixth game.

32 vs. Cleveland, Nov. 26, 1967 — 50 attempts, 418 yards, 3 TDs

Old record: 29 by Sommy Baugh in 1949

Jurgensen's 418 yards vs. Cleveland was the fifth time he has thrown for more than 400 yards in a game. He is the only quarterback ever to accomplish this feat more than twice. He did it three times with the Eagles and twice with the Redskins. Don Meredith of the Cowboys has had two over-400 yard games

Jurgensen had 5 over-300-yard games in 1967 which gives him 21 for his career. He also passed 3 times for 4 touchdowns, vs. Los Angeles,

Dallas, and Philadelphia.

TD Pass Catches in Season: 12 by Jerry Smith (TIES record)

(Redskins record of 12 is shared by Hugh Taylor (1952) and Charley Taylor (1966). NFL record for TD pass calches by a light end is also 12, set by Mike Ditka, then with the Bears, in 1961)

TD Pass Catches in Game: 3 by Jerry Smith vs. Roms (ties record)

Jerry Smith's second place finish in the NFL with 67 catches behind little winner, teammate Charley Taylor (70), marks the second consecutive year he has finished in the lop ten. He is the third tight or closed receiver ever to finish in the top ten with his consecutive finishes. The others to finish in the top ten have been tight ends Mike Ditka (four times) and Pete Retzlaff (three times).

Jerry Smith won the NFL tight end reception title for the second straight year. The third-year receiver was No. 1 in 1966 with 54 catches and No. 1 in 1967 with 67 receptions. With teammate Charley Taylor winning the title for the second straight year with 70 receptions, Smith was four shy of winning the title which would have been the first time in the history of the NFL that a light end would have won the pass receiving title. His 67 catches were the most ever by a tight end.

Jerry Smith was the league's third top touchdown producer with his 12 TD receptions. Homer Jones had 14; Leroy Kelly, 13; and Smith, Tom Matte and

Gale Sayers, 12.

The 1-2-4 finish by Charley Taylor, Jerry Smith and Bobby Mitchell in the NFL pass receiving rating is the best ever in the NFL by 3 receivers on one club, and the 197 receptions was tops, Johnny Morris (93), Mike Ditka (75) and Jon Arnell (25) for 193 receptions in 1964 was the former high.

Bobby Mitchell moved into first place as the all-time active receiver in the NFL with 507 career receptions. The Colts' Raymond Berry, now retired, leads in lifetime receptions with 631.

Mitchell also is the leading active player in the NFL's 10,000 yard club. He is second to the retired Jim Brown for the all-time life-time yardage record. Mitchell has 13,667, Brown, 15,459. Mitchell has a choice to become the fourth player in NFL history to score 100 touchdowns. He has 91. Jim Taylor has 93; Lenny Moore, 113. Jim Brown, the leader, has 126.

Sam Huff moved into second place in the NFL with most interceptions by a linebacker for a career with 27 — 2 in 1967, his 12th and final year in the NFL. Huff's 27 leads career interceptions by a middle linebacker. Don Shinnick of the Colts is No. 1 in interceptions by a linebacker with 36.

The 3 ties in 1967 . . . 20-20 Atlanta, 28-28 Los Angeles, and 35-35 Philadelphia , . . is a Redskins record for most tie games in a season.

From the 3rd through the 13th game (eleven consecutive), the Redskins were involved in games that the final autome was decided in the final two minutes.

From the 3rd through the 13th game (eleven consecutive), the Redskins' final scores were decided by seven points or less.

The 347 points scored was the second highest in Redskin history. The record is 351, set in 1966.
